

SOTSIAALMINISTEERIUM

Creating the policy framework for social innovation

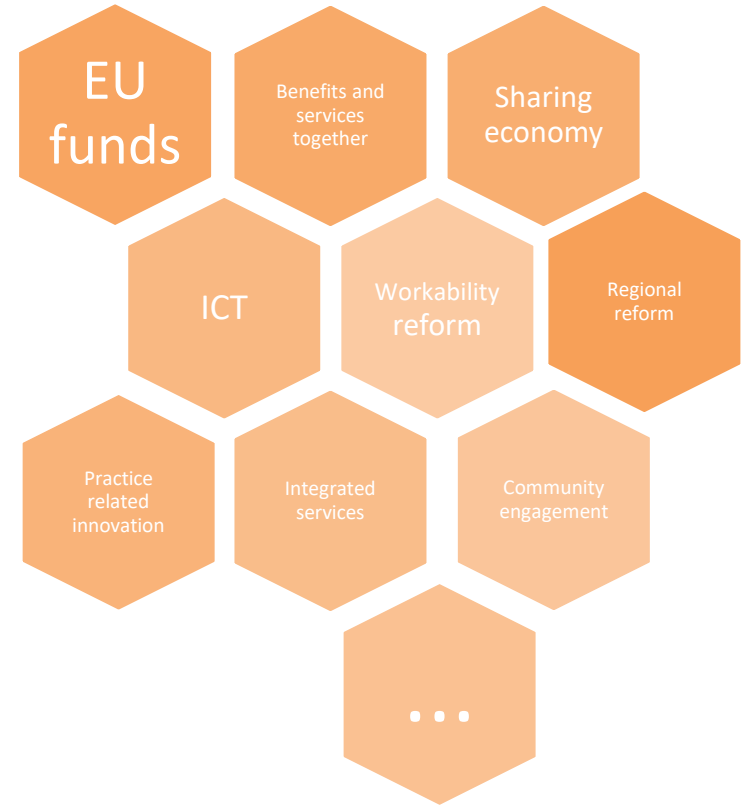

Rait Kuuse

rait.kuuse@sm.ee

Challenges

Opportunities

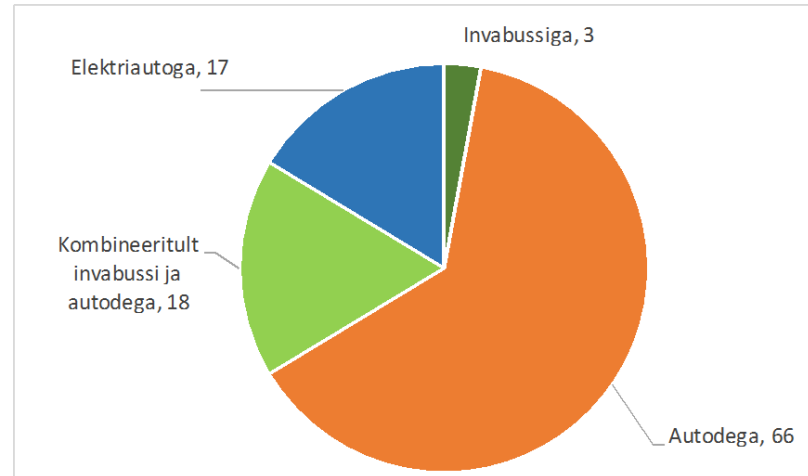

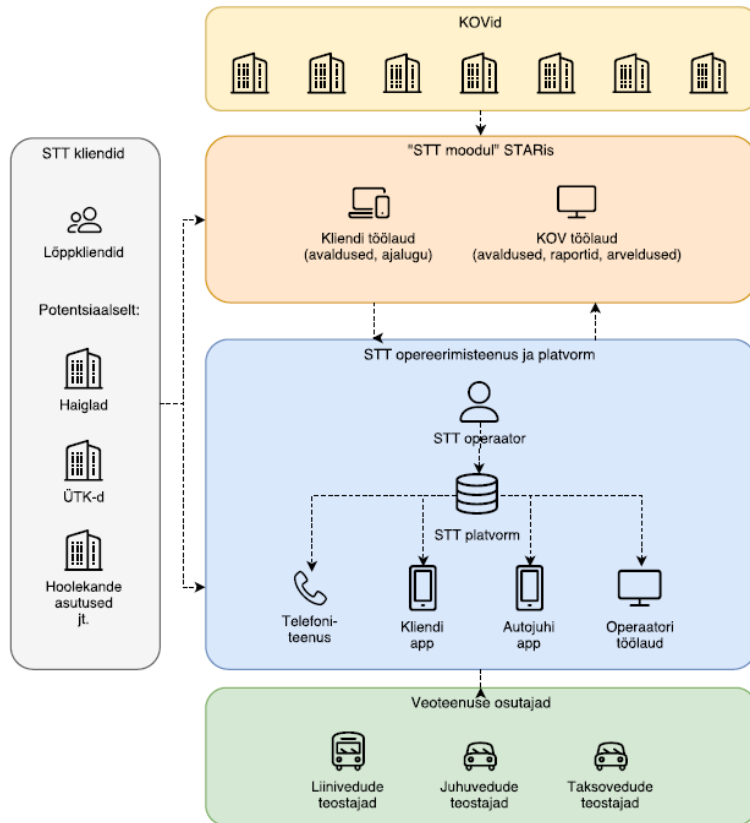

Solutions?

- Working with improvement of general environment, sectoral policies
- Revision of division of responsibilities
- Enhanced cooperation
- Emphasis on empowerment
- Doing less, doing differently

Example 2: Rehabilitation – integration pilots

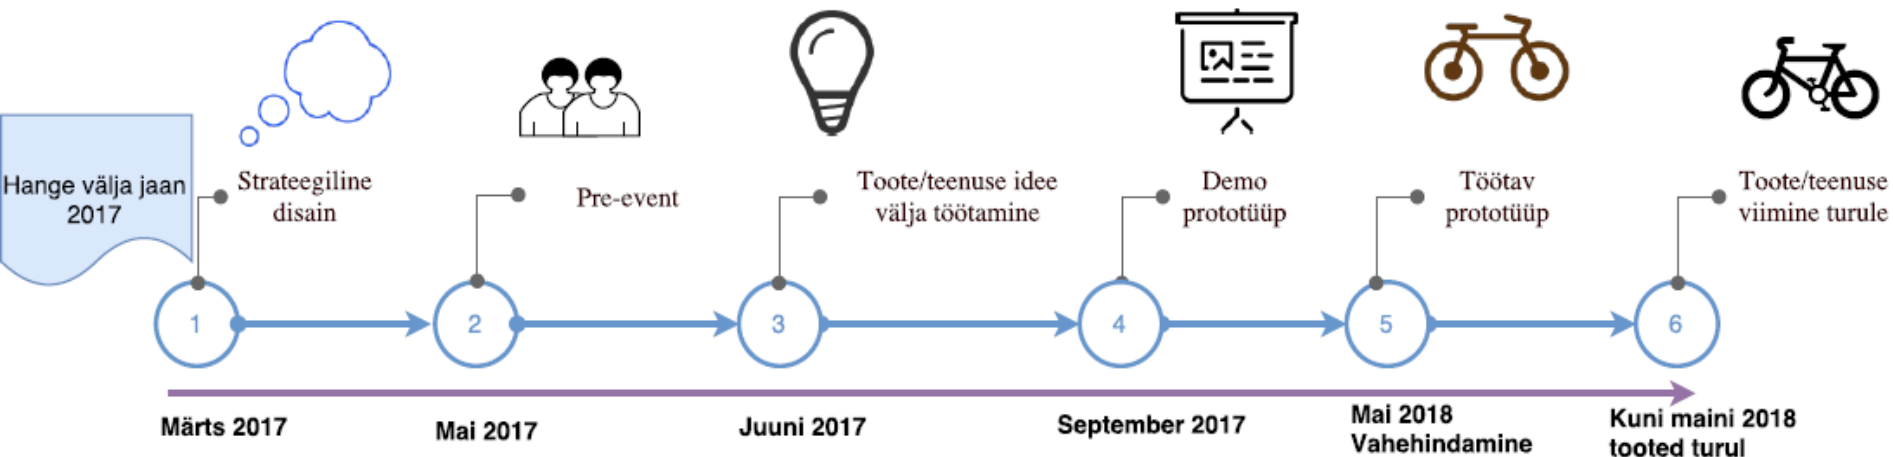

- Continuity of health and social services for young people with schizophrenia
- Using international classification of functions as a common language for health and social sector

Example 3: Social transport - new model

Example 4: services development

- Social services innovation programme
- Social services improvement support

SOTSIAALMINISTEERIUM

Thank you!
